

**Format**

<b>[/34x]</b>	(Account)
<b>4*35x</b>	(Name and Address)

**Definition**

Name and address of the party, with an optional account.

**Network validated rules**

If the first line of this field starts with a slash '/', then it is assumed that Account is present and then at least 1 line of Name and Address must be present (Error code T77).

**Usage rules**

If Account is absent, then Name and Address must not start with a slash '/'.
